

# Life Is a Symphony

## ***Meet Ann Greenawalt... English horn and mermaid***

Ann is a Hoosier but grew up in Rhode Island. She has performance degrees from Juilliard, and has played in the VSO for 23 years.

Ann manages the office and database (which she designed) for her family's rental music company, Ellis Music of South Royalton. Her hobbies include cooking, gardening, knitting, and sewing. She also has a passion for taking long swims, for now in Silver Lake (Barnard).

Secret ambition: to write a guide for lake swimming in Vermont

Most recent accomplishment: commuting to RI to nurse her father back to health

Favorite vice: lattes

If she weren't a musician, Ann could see herself running a restaurant that featured healthy local foods. No doubt she would dive into that project and handle it swimmingly!
