

I'm delighted that several members of my extended musical family are able to share in the festivities as the VSO celebrates its 75th anniversary. It is going to be an extraordinary year!

Our traditional Holiday Pops concert this year includes favorites such as the Nutcracker Suite, Sleigh Ride and Fantasia on Greensleeves. In January, my dear friend André Watts makes his Vermont debut with Beethoven's Emperor Concerto. And in March, Sarah Hicks, who was such a delight last season, returns to guest conduct.

Please join our VSO family at the beautiful Paramount Theatre in downtown Rutland for this three-concert series. I guarantee your life will be enriched!
