what we are hearing...

"I was out of town Saturday night. I came home Sunday around dinnertime, and the first thing I heard Christian say was, 'Can we put on some classical music?'" - Parent of a Student Insider

"A young mother and daughter came to the concert because the VSO had reached out to a local guitar teacher. It was their first orchestra concert. They were both pumped and really enjoyed the concert. There was a lot of excitement in the air!"
- Melissa, Audience member
