

## Made in Vermont with The Moth Radio Hour

Saturday, November 15  
Southern VT Arts Center

Join **Andrew Crust**, VSO Music Director and conductor, for a pre-concert Student Insiders pizza party and learn more about music and storytelling!

VSO's string orchestra is joined by The Moth Radio Hour for a concert with storytelling at its heart.

Music by Edvard Grieg, Edward Elgar, Derrick Jordan, Kelly-Marie Murphy and more underscore storytelling about summer family camping adventures, a beauty pageant, road trips, and Robert Frost and Calvin Coolidge writings. The concert ends with Benjamin Britten's Simple Symphony based on themes the composer wrote as a child.
